

What can CMAA do for you as an Owner?

Membership with CMAA ensures that you and your staff are utilizing best practices to complete projects on time and on budget.

About CMAA

CMAA is North America's only organization dedicated exclusively to the interests of the professional Construction and Program Management industry. On behalf of its twenty-five regional chapters and nearly 5,000 public and private organizations and individuals throughout the nation, CMAA promotes the Construction Management industry and provides professional resources, advocacy, professional development, certification, and business opportunities to its members. CMAA's national headquarters is located in McLean, Virginia. The Association's website is www.cmaanet.org.

Professional Development

- Flexible, economical approach to give every level of your staff continuous training
- Interactive Webinars that address current issues and trends in the CM market
- Convenience of online classes (certificate available) that reinforce the industry recognized Standards of Practice
- Bulk discounts available

Certification

- Recognition and identification as top professionals in the industry through Certified Construction Manager (CCM®) designation, an ANSI accredited program
- Standardized, inexpensive training for entry level/young professionals through the Construction Manager in Training (CMIT) program

Local Chapters

- Connection and personal contact with CM service providers and other Owners in your area
- Opportunity to act in leadership roles and make an impact on the industry

Conferences

- Networking opportunities with CMs and Owners from around the country through educational sessions and events at our National Conference & Trade Show, Leadership Forum or other summits and conferences held throughout the year

Communications

- Stay up to date on technology and trends with our newsletter, *CM Advisor* and online news brief, the *CMAA Newsline*
- Opportunity to use CMAA as a platform to discuss the CM market with other Owners and CMs
- Access and discounts to CMAA publications including models for Agency CM and CM At-Risk Contracts
