

## **SUGGESTED CHAPTER COMMITTEES**

This list of committees is intended to be a guide to suggested committees that can support the chapter. Each Chapter will determine its committees. However, the Standard Regional Chapter Bylaws do specify that a Nominating Committee is to be established in order to properly direct the annual Chapter officer elections.

Each chapter committee shall adopt its own rules for its own governance consistent with the Association's and Chapter's Bylaws and the policies adopted by the National Board of Directors and Chapter Board of Directors.
