CMAA to Hold Sustainability Workshop

CMAA will hold a Sustainability Seminar January 23 in Arlington, Virginia.

Topics discussed will include Opportunities for CMs in Sustainable Design & Construction, Financing "Green" Projects, Breakthrough "Green" Building Technologies and more.

Presentations by Doug Gatlin, US Green Building Council, Diana Horvat, AIA, IIDA, LEED AP, Envision Design, PLLC, Bruce Kahn, Deutsche Asset Management Climate Change Investment Research Group and Rick Evans, Reynolds Energy Services will highlight the workshop.

CMAA is registered with the American Institute of Architects as an approved provider of Learning Units (LUs). Conference registrants may earn and report 6 LUs, 6 PDHs, or .6CEUs. CCMs also earn three re-certification points for attending this workshop.

Registration is \$250/\$300 (Early Bird/Regular Non-members), \$200/\$250 (Early Bird/Regular Members), \$100 (Students). Early Bird rates expire 12/31/2008.

Visit <http://cmaanet.org/bim-sustainability-ws> for more information and to register.

CMAA is North America's only organization dedicated exclusively to the interests of the professional Construction and Program management industry. On behalf of its 25 regional chapters and more than 5,400 public and private firms and individuals throughout the nation, CMAA promotes the Construction Management industry and provides professional resources, advocacy, professional development, certification, and business opportunities to its members. CMAA's national headquarters is located in McLean, Va. The Association's website is www.cmaanet.org.
