CMAA Honors Outstanding CM/PM Projects

McLean, VA—The Construction Management Association of America presented its annual Project Achievement Awards on October 17 at its National Conference and Trade Show held in Tampa, FL.

CMAA recognized 14 projects for excellence in construction and program management. Awards were presented for infrastructure projects, building/renovation/modernization projects, program management, and “International Project/Program of the Year.” The award winners were selected by a panel of industry owners and construction management professionals.
