CMAA is North America's only organization dedicated exclusively to the interests of the professional construction and program management industry. On behalf of its twenty-five regional chapters and more than 4,700 public and private firms and individuals throughout the nation, CMAA promotes the construction management industry and provides professional resources, advocacy, professional development, certification, and business opportunities to its members. CMAA's national headquarters is located in McLean, Virginia and the Association's website is www.cmaanet.org.
